University of Toronto, Department of Sociology, 3 rd year	
Gender, Crime, and Justice	2017
University of Toronto, Department of Sociology, 3 rd year	
Sociology of Hip Hop	2017
University of Toronto, Department of Sociology, 3 rd year	
Special Topics in Criminology	2016 - 2017
University of Toronto, Department of Criminology, 2 nd year	
Introduction to Socio-Legal Studies	2014
University of Toronto, Department of Criminology, 1 st year	

RESEARCH AND TEACHING INTERESTS

Life course criminology; abnormal psychology; sexual violence; sex offending; developmental criminology; etiological criminology; methodology; qualitative analysis; phenomenology; missing persons investigations; victimology; psychopathy; offender psychopathology; serial homicide; atypical homicide; mental health and the law; investigations; geographical and criminal profiling; ethical treatment of mentally ill offenders; wrongful convictions; stress and violence; genomics.

CLINICAL PSYCHOLOGY EXPERIENCE

York University Personal Counselling Services, Toronto, ON 2016 - 2017
Clinical Psychology Intern, **104 hours**
Supervisor: *Shulamit Mor, PhD*
Conducted risk assessments, cognitive behavioral therapy (CBT), and mindfulness with individual clients.

Vanier/Maplehurst Correctional Complex, Milton, ON 2016
Clinical Psychology Intern, **280 hours**
Supervisors: *Dr. Levy-Ajzenkopf and Jesse Roberts, M.A.*
Implemented diagnostic and risk assessment measures, conducted intake interviews, facilitated individual and group-based cognitive behavioral therapy (CBT) with male and female offenders, and held several Dialectical Behavioral Therapy (DBT) sessions.

PROFESSIONAL DEVELOPMENT

Native Women's Association 2018
I am working alongside collaborators at the Native Women's Association. The goal of this collaboration to identify rates of missing/murdered indigenous women across Canada and to contribute, positively, to the MMIW inquiry.

Globe and Mail 2018
Collaborator: Tomas Cardoso
Working alongside a data journalist at the Globe and Mail, I am attempting to identify patterns in the data on cases of Canada's missing persons and unsolved homicides.

Nottingham Trent University (UK), Primary Investigator 2017
Collaborator: Dr. Georgina Cosma
Used advanced computational models on a large dataset to identify and predict risk factors for serial homicidal violence.

Lincoln University (UK), Co-author 2017
Collaborator: Dr. David Keatley
Used sequencing and T-pattern analysis to identify and make sense of critical developmental periods among serial killers.

Addictions Court, Research Analyst and Web Design 2016
Supervisor: Justice June Maresca
Designed a program that increased the accessibility of addictions counselling and employment opportunities for adjudicated convicts.

COMMUNITY INVOLVEMENT

Sheena's Place, Toronto, ON 2015 - 2016

Volunteer

Sheena's Place is a community-based support center in Toronto offering support group programs, outreach/education, and resources for parents and teens.

Student Equity Initiative Team (SEIT), Toronto, ON 2011- 2015
Mentored Indigenous high school students who participated in SOAR, a UofT sponsored summer March Break Program for Indigenous youth.
