

Introductory Social Statistics II: SOCI 315 (4). Instructor: Iya Hall

Week	Dates Topic	Readings
1	Tue, Jan 10: Introductory lecture Overview of the main concepts from SOCI 311	Outline Review Ch. 3-5,7: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Jan 12: Overview of the main concepts from SOCI 311	Review Ch. 3-5,7: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
2	Tue, Jan 17: Bivariate regression model	Ch.7,8: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Jan 19: Bivariate regression model	Ch.7,8: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
3	Tue, Jan 24: Bivariate regression: hypothesis testing	Ch.8, 10,13: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Jan 26: Bivariate regression: hypothesis testing	Ch.8, 10,13: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
4	Tue, Jan 31: Multiple regression model <i>QUIZ 1</i>	Ch. 19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Feb 2: Multiple regression model	Ch.19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
5	Tue, Feb 7: Multiple regression model	Ch.19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Feb 9: Review of the material before the midterm exam	Review all considered materials

6	Tue, Feb 14: <i>MIDTERM EXAM</i>	
	Thu, Feb 16: Multiple regression model	Ch. 19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
7	<i>Term break</i> <i>No classes</i>	
8	Tue, Feb 28: Multiple regression model	Ch.19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Mar 2: Multiple regression model	Ch.19: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
9	Tue, Mar 7: Indirect associations and statistical interaction <i>QUIZ 2</i>	Ch.17: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Mar 9: Indirect associations and statistical interaction	Ch.17: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
10	Tue, Mar 14: Logistic regression	Ch.20: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Mar 16 Logistic regression	Ch.20: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
11	Tue, Mar 21: Logistic regression	Ch.21: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Mar 23: Logistic regression <i>QUIZ 3</i>	Ch.21: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
12	Tue, Mar 28: Non-linear relationships and other issues of the multiple regression models	Handouts from Instructor
	Thu, Mar 30: Non-linear relationships and other issues of the multiple regression models	Handouts from Instructor

13	Tue, Apr 4 Other methods of multivariate social statistics: overview	Ch.16,18: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
	Thu, Apr 6: Other methods of multivariate social statistics: overview <i>QUIZ 4</i>	Ch.16,18: Norris, G., Qureshi, F., Howitt, D., Cramer, D. (2012). Introduction to Statistics with SPSS for Social Science. Routledge
14	Tue, Apr 11 Review of the material before the final exam	Review all considered materials
